

# Lèn Family

## Wellbeing Packages

Begin your rejuvenation in the Spa's steam room with blended aromas that envelop your entire being while stimulating and soothing each of your senses. Experience the deep inner healing of a Vital Energy signature massage that unblocks the trapped energy in your body and relieves physical and emotional pain, while energizing your mind and spirit. Pamper your outer self with a tropical body scrub and a signature facial treatment proven to boost the rejuvenating system of the skin and erase fine lines and wrinkles.

We invite you to experience total mind, body, and spirit rejuvenation in our tropical paradise.
