Lên

S P A

In the Thai language, “ *Lên* ” means “play”.

We like to play.

We love to have fun.

Learning something new along the way is even better.

It’s all about being happy.

It’s our little secret to wellbeing.

So be yourself, fit your mood and play your way!

Feel the magic of Lèn Spa's blending of tradition and innovation and enjoy the peaceful, calming, and luxurious ambiance that is distinctly Santiburi.

Meander along the red-brick pathway inspired by the ancient Kingdom of Ayutthaya and feel the magic. We offer the best contemporary treatments and therapies blended with the wisdom of southern Thai massage traditions. All treatments draw from natural therapies and are designed to restore a profound sense of balance. Local ingredients, such as coconut, rice, jasmine, betel leaves and Thai silk are used to heighten your sensation.

Befitting of a Thai palace, the spa is a symphony of elaborate carved wood-panels, highly-polished mahogany flooring, luxurious Thai silk and traditional decor. Our facilities include a Turkish massage table, indoor baths, outdoor deep soaking tubs, traditional Thai massage rooms and a special photographic studio where guests can have a souvenir photo taken in traditional Thai dress.

Our reputation for excellence and heritage is unrivalled in Thailand. Our unique wellbeing treatments are available for all ages because one is never too young to 'Lèn spa'.

We look forward to inspiring you.

Please contact Lèn spa team for further information and booking.
