This festive season, let your holiday spirit shine by spreading joy to the children of the Samui Special Needs Foundation.

Hand-painted tote bags and delicate flowers crafted from recycled materials – each one a unique expression of creativity and care – will be available for purchase in the lobby.

All proceeds will go directly to the foundation to support the children's artistic endeavors and help restore their learning and activity spaces.

To make the season even more special, children from the foundation will join us on the evening of 24 December to perform heartwarming carols alongside other young voices.

Let's celebrate with kindness and make this season shine brighter.
